Which Product of Al Fakher Hookah Is Better to Try Next?

Are you a person who loves to try hookah nowadays? Maybe you know how much hookah lovers love Al Fakher Hookah nowadays.
As per reports, "It's *not just an ordinary hookah brand; it is a legacy from 1999 and is now present in over 90 markets, gaining the trust and loyalty of shisha (hookah) lovers worldwide."*

If you are trying this for the first time, you might get confused about which product to start with and which will be more your type.

There is no doubt that all of Al Fakher **hookah tobaccos** are great in taste but have a different taste and have an afterflavor.

But now you don't need to worry about any confusion. In this content we will compare all of the Al Fakher hookah flavors you can try and make a clear map for you of which product is ideal for you.

Why Do Hookah Lovers Love Al Fakher Hookah Tobacco?

As per reports, *"The hookah market in the USA in 2025 has increased by USD 771.5 million at a CAGR of 4.8%."*

And in this whole market, *"AI Fakher hookah tobacco is the world's largest hookah brand by sales volume, with over 60% market share in the US as of 2024."*

This legacy is owned by advanced inhalation rituals (air) and has now become a legacy with twice the advancedness in its products.

There are nefarious reasons why this product still stays as the king of the market even after the ownership change.

Following are some of the reasons that will make sure that you try it before you miss the chance of getting stock from everywhere:

1. **Variety of Flavors**

Al Fakher hookahs have a variety of flavors available. Whether you prefer sweet, fruity, or mainly flavors, all of the flavors suit your taste. Some popular flavors include double apple, peach, and mint. From there you can choose your type.

2. **Smooth and Long-Lasting Smoke**

The quality ingredients and variety of flavors in **Al Fakher hookah tobacco** provide a smooth and long-lasting smoke. This is due to the unique blending of molasses and tobacco leaves. It is made with a proprietary process that ensures consistency and even burns so you can enjoy the smoke for long periods of time without repacking the bowl again and again.

3. **Affordable**

Al Fakher's price is relatively affordable compared to other high-end hookah brands. It is a product of those hookah tobaccos that can never break down your savings or consume them. And perfect for you if you are looking for a quick and easy smoke.

4. **Available worldwide**

Al Fakher is a global brand that sells its products in many countries worldwide. This means if you are traveling and run out of stock, you can order it and enjoy. Whether traveling or simply exploring for something new, Al Fakher never lets you down with its legacy of incredible taste.
